

## The 2009 Symposium on Applications & the Internet Program At-a-Glance

		Regency A	Regency B	Grand G
July 20 Mon	19:00-21:00	Joint COMPSCA/SAINT Welcome Reception - Bank of America Courtyard, adjacent to Hyatt Regency Bellevue (alternate rain location: Grand Ballroom)		
July 21 Tue	08:00-10:00	<p style="text-align: center;">Opening Session:</p> <p style="text-align: center;">Joint Conference Welcome: Carl Chang, Chair, COMPSAC Standing Committee; Chair, SAINT Steering Committee</p> <p style="text-align: center;">Welcome Remarks: Darrell Long, General Chair, SAINT; Tony Hey, General Chair, COMPSAC</p> <p style="text-align: center;">Opening Remarks: Susan K. Land, President, IEEE Computer Society</p> <p style="text-align: center;">COMPSAC Program Overview: Vladimir Getov, COMPSAC Program Chair</p> <p style="text-align: center;">SAINT Program Overview: Morris Chang &amp; Kenichi Yoshida, SAINT Program Chairs</p> <p style="text-align: center;">COMPSAC Best Paper Awards: Lin Liu, COMPSAC Program Chair</p> <p style="text-align: center;">SAINT Best Paper Awards: Kilnam Chon &amp; Johnny Wong, SAINT Awards Chairs</p> <p style="text-align: center;">Joint Keynote: Project Greenlight: Optimizing Cyberinfrastructure for a Carbon Constrained World Larry Smarr, , California Institute for Telecommunications and Information Technology, USA Chaired by Elisa Bertino, COMPSAC09 Program Chair (Grand Ballroom)</p>		
	10:30-12:00	Symposium Session #1 Wireless	Workshop WS-1 (FIST)	Workshop WS-3 (ITeS)
	13:30-15:00	Symposium Session #2 Security	Workshop WS-1 (FIST)	Workshop WS-3 (ITeS)
	15:30-17:00	Symposium Session #3 Applications	Workshop WS-1 (FIST)	Workshop WS-5 (PASN)
	18:30-20:30	Joint COMPSAC/SAINT Presidential Reception - Hyatt Regency Bellevue (Grand Ballroom)		
	20:30-22:00	Joint COMPSAC/SAINT Planning Meeting (Juniper Room), All invited		
July 22 Wed	08:30-10:00	<p style="text-align: center;">Joint Keynote: Programming the Cloud</p> <p style="text-align: center;">Tony Hey, Corporate Vice President, External Research, Microsoft Research, Microsoft Corporation, USA Chaired by Vladimir Getov (Grand Ballroom)</p>		
	10:30-12:00	Symposium Session #4 Mining from Network	Workshop WS-1 (FIST)	Workshop WS-4 (MidArc)
	13:30-15:00	Symposium Session #5-1 short papers I	Symposium Session #5-2 short papers II	Workshop WS-4 (MidArc)
	15:30-17:00	SAINT student session #A	SAINT student session #B	SAINT student session #C
	18:00-21:00	Joint COMPSAC/SAINT Conference Banquet - Argosy Cruises, Seattle		
July 23 Thu	08:30-10:00	<p style="text-align: center;">Joint Keynote: Towards Fine-Grained Secure Communications</p> <p style="text-align: center;">Tatsuaki Okamoto, NTT, Japan Chaired by Haruo Takemura (Grand Ballroom)</p>		
	10:30-12:00	Symposium Session #6 Network I	Workshop WS-2 (UNECAS)	Workshop WS-6 (ConCom)
	13:30-15:00	Symposium Session #7 Network II	Workshop WS-2 (UNECAS)	
	15:30-17:00	Joint COMPSAC/SAINT Panel : Emerging Pervasive Systems—Research Challenges and Proposed Solutions (Larch Room)		
July 24 Fri	08:30-09:30	Joint COMPSAC/SAINT Concluding Panel : Security and Privacy in Community-based Internet Applications (Grand Ballroom)		

WS-1	FIST	The First Workshop on Trust and Security in the Future Internet
WS-2	UNECAS	The Sixth Workshop for Ubiquitous Networking and Enablers to Context-Aware Services
WS-3	IteS	The Second Workshop on ITeS (IT enabled Services)
WS-4	MidArc	The Third Workshop on Middleware Architecture in the Internet
WS-5	PASN	The Third International Workshop on Practical Applications of Sensor Networking
WS-6	ConCom	The First International Workshop on Concurrent Communication
